Aegis

4-Wheel Duffel Set

Designed for professionals who need flexible packing and effortless mobility, the Aegis 4-Wheel Duffel Set brings together two high-performance rolling travel solutions. Ideal for both short trips and extended journeys, this bundle offers scalable capacity without compromising protection. The carry-on hybrid duffel is perfect for cabin use, while the larger roller provides ample space for bulkier gear. Both feature smooth four-wheel manoeuvrability and durable, weather-resistant construction. Built for photographers, field professionals, and frequent travellers, this set ensures your equipment stays protected, organised, and easy to transport wherever the job takes you.
Included:
Aegis Carry-On 4-Wheel Hybrid Duffel (4W22)
Peli 4-Wheel Travel Case (4W30)
Aegis Carry-On 4-Wheel Hybrid Duffel (4W22)
A compact hybrid carry-on that combines the flexibility of a duffel with smooth four-wheel mobility. Built with rugged, weather-resistant materials, it offers reliable protection, organised storage, and effortless handling. Ideal for overhead compartments and short trips.
Aegis 4-Wheel Travel Case (4W30) A large-capacity travel case engineered for durability and ease of movement. Featuring four smooth-rolling wheels and a robust design, it ensures secure transport and dependable protection. Perfect for longer journeys or carrying heavier, bulkier equipment

• 4-wheel travel duo built for smooth mobility across all journey types
• Carry-on compliant 4W22 designed to fit overhead cabin compartments, always check with your airline for specific requirements
• Large-capacity 4W30 ideal for check-in and extended travel needs
• Smooth-rolling, high-durability wheels on both bags for effortless transit
• Telescopic handles for stable and comfortable manoeuvrability
• Hybrid duffel construction combining flexible packing with structured protection
• Weather-resistant, high-performance materials built for demanding environments
• Reinforced construction for reliable protection of gear and personal items
• Lockable, heavy-duty zips for enhanced travel security
• Intelligent internal organisation across both bags for efficient packing
