Equipment Protection Kit

Keep your valuable equipment protected, organised and ready for action with the Vault Equipment Protection Kit. Combining the rugged V200 Vault Equipment Case with a compatible padded divider set, this bundle delivers reliable protection and organisation for professional gear. As part of the PELI Vault range, the V200 offers trusted, affordable protection without compromising on durability and performance. The adjustable padded dividers create a customised interior layout that keeps equipment secure and accessible. Ideal for cameras, lenses, tools and sensitive electronics, this bundle is built for dependable protection on the move.

Included:

-V200 Vault Equipment Case
-1455 Padded Divider Set

V200C Vault Equipment Case

Designed for demanding environments, the V200C Vault Equipment Case offers robust protection for valuable equipment. Its high-impact polymer construction, weather-resistant design, secure push-button latches and heavy-duty handles help keep gear protected during transport, storage and field use.

1455 Padded Divider Set

Compatible with the V200C Vault Equipment Case, this adjustable padded divider set allows you to create a customised interior layout for cameras, lenses, tools and accessories. The padded design helps minimise movement and protects equipment while improving organisation and accessibility.

- Affordable equipment protection without compromising on performance
- Customisable interior layout for organised gear storage
- Helps protect equipment from impacts, dust and the elements
- Keeps cameras, tools and accessories secure during transport
- Built for professionals, creators and outdoor enthusiasts
