PX25DIV

Photo Backpack

Designed for photographers, creators, and professionals who need flexible gear protection on the move, the Photo Backpack Set combines rugged everyday carry with enhanced equipment organisation. The PX25 backpack delivers weather-resistant durability, ergonomic comfort, and smart storage for travel, commuting, and field work, while the padded divider set transforms the interior into a customisable setup for cameras, lenses, tech gear, and delicate accessories. Together, they create a versatile carry solution that keeps equipment protected, organised, and easy to access throughout demanding journeys and daily use.

Included:

• Aegis Backpack PX25
• Padded Divider Set

Aegis Backpack PX25

A rugged and highly functional backpack designed for professionals on the move. Featuring weather-resistant materials, ergonomic comfort, and intelligent storage compartments, the PX25 keeps tech, accessories, and travel essentials organised and protected throughout demanding journeys and daily use.

Padded Divider Set

A configurable padded divider system designed to create organised and protected storage inside the PX25 backpack. Ideal for cameras, lenses, tech gear, and delicate accessories, it helps prevent movement during transport while allowing flexible customisation based on your loadout.

• Versatile backpack and divider combination for enhanced gear protection and organisation
• Configurable padded divider system for customised equipment layouts
• Ideal for cameras, lenses, tech gear, and delicate accessories
• PX25 weather-resistant construction built for demanding environments
• Intelligent internal organisation with dedicated compartments for tech and essentials
• Ergonomic shoulder straps and padded back panel for comfortable all-day carry
• Divider system helps minimise gear movement during transport
• Durable, high-performance materials engineered for long-lasting reliability
• Streamlined setup designed for travel, commuting, and field work
