Carry-On Case

Peli™ Air cases are the toughest and lightest cases Peli has to offer. Designed with a super-light proprietary HPX² polymer construction, each Peli Air case is up to 40 percent lighter than an average polymer case, yet still extremely durable. Peli Air cases are waterproof, crushproof, and dustproof.
The Peli 1535 Air Case provides protection for a wide variety of gear, from camera equipment to camping kits. It is available with foam, without foam, padded dividers, or TrekPak dividers. The Peli 1535 Air Case is the maximum airline carry-on size, so you can travel with your sensitive gear close at hand. This Peli Air case will lighten the load, while protecting your valued possessions.
(Check with your airline for exact measurement requirements)
