Laptop Case

Meet the lightest premium Protector™ case on the planet. Up to 40% lighter than other polymer cases.
Pelican™ Air cases are the first in a series of remarkable innovations engineered by Pelican, the pioneers of protective cases. For over 40 years Pelican has designed and crafted the most influential protective cases in the world, and we're just getting started.
With the launch of the Pelican™ Air line of cases, we're redefining the future of protection with a remarkable union of light and tough.

• Uniquely designed to accommodate a wide range of 13”, 14” or 15” laptop models
• Fits up to 10 laptop’s at one time for secure transport and storage
• Features a configurable internal support system
• Built within a durable, watertight, dustproof and crushproof 1637 Pelican Air Case, manufactured from super-light proprietary HPX²™ Polymer
• Designed for mobility with a light-weight construction, an extendable handle and rugged wheel system
• Ideal for mobile or classroom training environments for training organisations and educational institutions.
