Protector

Starlink High Performance Case

The Pelican™ 1690 Protector Case offers military-grade protection for your Starlink High Performance equipment. Designed with precision laser-cut, high-quality foam, it ensures a secure fit for your gear, while being watertight, dustproof, and crushproof for maximum durability.
With a retractable trolley handle, side handles, and smooth-rolling wheels, it's built for easy transport in the toughest conditions. Whether facing the freezing cold of the Arctic or the heat of the desert, Pelican cases are built to last and perform in the harshest conditions on Earth.

• Precision-cut foam inserts securely hold Starlink High Performance equipment
• Watertight, dustproof, and crushproof for extreme environmental protection
• Military-grade materials for superior durability and protection
• Retractable extension trolley handle and fold-down side handles for easy transport
• Strong polyurethane wheels with stainless steel bearings for smooth mobility
• Designed to withstand harsh conditions, from arctic cold to intense heat
• 1690 Pelican Protector Case ensures secure transport and storage for vital equipment
