Air

The 1505 Air case is a versatile, shallow attaché-style case with built-in functionality to support panel mounting in the lid and base. Protect laptops and sensitive electronics or leverage the out-of-the-box panel mounting capability to engineer your own mobile communications system, cradlepoint, or battery charging station. Whether you're a construction professional transporting your laptop to the site, a law enforcement team relying on a cradlepoint to maintain communications, or prototyping a new medical device, the 1505 Air case delivers the ultimate combination of durability, portability, and versatility.
