

2010

SabreLite™

Meet the design that set the lighting standard for industrial safety and fire rescue. Our 2010 LED combines a traditional task light design with high performance LED technology and safety certifications. The rugged, lightweight polymer body incorporates a twist on/off lens shroud allowing for easy operation and superior impact resistance. The result? Possibly the toughest flashlight available on the market today.

- Twist on/off activation
- Waterproof IPX7
- 22-hour runtime
- 3 "C" Batteries (not included)
- Heavy-duty body clip
- · Split ring and security lanyard
