Protector

Studio Case

Built for creators who move fast and work in demanding environments, the Peli Protector Studio Case transforms the legendary Protector into a complete mobile workflow system. Engineered with next-generation HPX^{p} polymer for superior impact resistance and long-term durability, it delivers the trusted watertight, crushproof, and dustproof protection professionals rely on. Purpose-configured for photography and video equipment, the Studio Case combines a fully customizable padded divider interior with integrated lid organization and in-case lighting, keeping every accessory protected, visible, and ready to deploy. New smooth-rolling wheels and upgraded push-button latches make transport and access faster and more intuitive wherever the job takes you.

• Waterproof, Crushproof & Dustproof - The legendary Protector, now built with next-generation HPXp polymer for superior impact resistance.
• Integrated Lid Organization - GridPoint Panel with included ModPak Utility Pouches keeps accessories organized, visible, and easy to access.
• Professional In-Case Lighting - ModLight Pivot illuminates equipment inside the case for improved visibility in low-light environments.
• Upgraded Push-Button Latches - New push-button latches deliver secure, intuitive access with positive engagement—even while wearing gloves.
• Smooth-Rolling Mobility - New quiet-rolling wheels with stainless steel bearings provide smoother transport across terminals, locations, and job sites.
• Customizable Padded Interior - Configurable padded divider system securely organizes and protects camera, video, and production equipment.
• Automatic Pressure Equalization Valve - Balances interior pressure after altitude or temperature changes for easier opening.
• Stainless Steel Hardware - Corrosion-resistant hardware and reinforced padlock protectors built for long-term durability.
• Made in the USA - Designed and manufactured in the USA.
• Lifetime Guarantee of Excellence - Backed by Peli’s legendary lifetime guarantee.
