Mega Brick Bundle

The MEGA BRICK BUNDLE is built for professionals who need maximum storage capacity combined with fully customizable interior protection. Made with durable 900D nylon and TPU/Mesh laminate, it handles tough environments while keeping your equipment protected, organized, and easy to find.
To transform your setup into a fully customizable protection system, this option includes the MEGA BRICK DIVIDE INSERT (Bundle Option). The DIVIDE INSERT is constructed from 6 mm EVA foam, attaches via the internal Velcro loop edge binding and uses the patented DIVIDE-CONNECTOR system, allowing fast setup of custom compartments to match your gear and workflow. The lid features a YKK-zippered TPU mesh pocket for cables, chargers, and small accessories.
Whether on location or in transit, the MEGA BRICK BUNDLE keeps your gear secure, protected, and ready to go.
