CRDBAG

Grid-Lid Carry-On

Maximize the functionality of your carry-on hard case with the CRDBAG GRID-LID, a modular and adaptable lid organizer designed for professionals. By utilizing the unused lid space, the GRID-LID transforms your case into an efficient and customizable storage solution.
Featuring a laser-cut MOLLE pattern in durable nylon loop material, the GRID-LID is compatible with both MOLLE and Hook and Loop systems, allowing you to build, expand, and reconfigure your setup effortlessly.
Designed to integrate seamlessly with CRDPOUCH MKII and Fused Mini, it provides unmatched versatility. With the addition of Maglock MOLLE, you can quickly attach and detach pouches, making it easier than ever to organize your gear.
This open-standard system ensures you can invest in a future-proof solution that adapts to your needs without locking you into proprietary limitations.
