CRDBAG

Fused Mini

The Fused Mini is designed to keep your small essentials organized and protected, no matter where your mission takes you. Featuring a welded seamless construction and TPU Mesh lamination, this pouch offers unparalleled durability and reliability. Its compact size, measuring 166x120mm, makes it ideal for quick access and efficient storage on the go.
With a loop Velcro panel for patches, a clear TPU window for CRDTABS, and a YKK Aquaguard diagonal zipper for weather resistance, the Fused Mini is crafted for versatility and performance. The hook Velcro and laser-cut MOLLE on the back ensure secure attachment to a variety of modular systems, making it a perfect addition to your gear setup.
Note: Patches and CRDTABS are not included and can be purchased separately.
