Mobile Gear Kit

The Vault Mobile Gear Kit combines trusted Peli protection, effortless mobility and organised storage in one practical solution. Featuring the Vault by Peli™ V525 Rolling Case and a customisable padded divider set, this bundle is ideal for photographers, videographers, field technicians and professionals who need to transport valuable equipment safely. As part of the Vault by Peli™ range, the V525 delivers rugged protection and dependable performance at an affordable price, making it an excellent choice for users seeking exceptional value without compromising on durability. With smooth-rolling wheels, a retractable trolley handle and a configurable interior, your gear stays protected, organised and ready for every journey.

Included:

• Vault by Peli™ V525 Rolling Case
• Peli™ 1515 Padded Divider Set

Vault by Peli™ V525 Rolling Case

Designed for professionals who demand reliable protection on the move, the Vault by Peli™ V525 offers crushproof, dust-resistant and weather-resistant performance in a more affordable solution. Equipped with smooth-rolling wheels and a retractable trolley handle, it provides convenient transport while keeping valuable equipment protected throughout travel and daily use.

Peli™ 1515 Padded Divider Set

Compatible with the Vault by Peli™ V525 Rolling Case included in this bundle, the padded divider set allows you to create a customised interior layout for cameras, lenses, drones, electronics and accessories. Soft padded compartments help protect equipment from bumps and movement while keeping gear neatly organised and easily accessible.

• Trusted Peli protection at an affordable price
• Smooth-rolling wheels and retractable trolley handle for easy transport
• Customisable padded divider system for organised equipment storage
• Crushproof, dust-resistant and weather-resistant construction
• Ideal for photographers, videographers and professionals on the move
