

# 1550EU Protector

Sensitive equipment needs protection, and since 1976 the answer has been the Peli<sup>™</sup> Protector Case. These cases are designed rugged, and travel the harshest environments on earth. Against the extreme cold of the arctic or the heat of battle, Peli cases have survived.

These tough cases are designed with an automatic purge valve, that equalizes air pressure, a watertight silicone O-ring lid, over-molded rubber handles and stainless steel hardware.

#### • Watertight, crushproof, and dustproof

2 level Pick N Pluck<sup>™</sup> with convoluted lid foam
Automatic pressure equalization valve - balances interior pressure, keeps water out

- Comfortable rubber over-molded handle
- Easy open double-throw latches
- O-ring seal
- Open cell core with solid wall design strong, light weight
