Designed with a super-light proprietary HPX<sup>2</sup> polymer construction, each Peli Air case is up to 40 percent lighter than an average polymer case yet still extremely durable. Peli Air cases are waterproof, crushproof, and dustproof.

The Peli 1615 Air Case provides protection for a wide variety of gear, from camera equipment to camping kits. It is available with foam, without foam, padded dividers, or TrekPak dividers. The Peli 1615 Air Case will lighten the load, while protecting your valued possessions.
