

1920

The very compact aluminum 1920 flashlight is designed with size and extreme performance in mind. Using readily available AAA batteries, this bright LED light creates a clean white beam. Long run times combined with high and low light output modes, make for an efficient lighting tool; the perfect personal light.

- Protezione contro la penetrazione (Ingress Protection) di livello IPX7
- High / Low modes
- On/Off/Momentary Switch
- 2 batterie AAA
